

Documentation to Decline Gifted Services

Most gifted students at Green Local Schools are provided with gifted services, but parents may choose to decline services for their child. If you do not wish to have your child participate in gifted services, please inform the district by submitting this documentation to the school office to the attention of Lori Ebert. Your child will not be placed into instruction that is provided solely as a gifted service without your permission. This will take effect for the remainder of the current school year and for all future school years until the district is informed otherwise.
