- Discuss Business and Finance Charter
- Review Application Form

Green Local Schools Strategic Plan

- Is the board ready to vote on a 2021-2023 strategic plan for the November meeting?

SALT FUND

The purpose of the fund is to:

Preserve excellence in academics, arts and athletics for the Green Local School District.

This fund provides an avenue for people who want to continue and even improve the legacy of excellence in Green Local Schools. Your support of the SALT Fund will forever help future generations of children in our school district.

SALT FUND

Managed through the Wayne County Community Foundation

Legacy Fund Balance - \$26,708

Available Distribution Amount - \$421.70

Goals

1. Grow Awareness (Alumni Coordination and Annual Fundraiser)
2. Develop a distribution process

1. School cases are currently relatively low.
2. Clarification on the state color coding system and our school plan
3. Extra events are difficult decisions

Greenhouse Project Update

1. The zoning permit has been approved and the building permit should be completed by Friday.
2. We have been given permission from the local building inspector that site preparation can begin.
3. A huge thanks to Kyle Lengacher and Lee King for their donation of time and resources for this project.
