Due to the nature of your EMIS coordination duties, you will be privy to certain personally identifiable student information. It is expected that you will maintain student confidentiality.

Please sign indicating that you understand and accept the terms and conditions of employment as outlined herein. I will return a fully executed agreement once all signatures have been obtained.

Sincerely,

Dean Frank, Superintendent

By signing this Letter of Agreement, the parties understand and agree to the above outlined terms and conditions of employment to provide EMIS coordination services to Green and Chippewa.
