A. Purpose

1. What is the major place to be visited or event to be attended?

Camp Nuhop for outdoor education

2. How is the trip related to the educational program of the District?

Many of our activities follow the Ohio Content Standards for math, science, language arts, social studies, art and physical education.

3. In what ways will the students benefit?

They learn outside, grow emotionally and relationally with each other, GLS staff and the camp personnel.

4. In what ways will the District benefit?

The 6th graders will come back more mature, more able to have empathy and support for each other, have a pre-requisite to content they will be learning as the year goes on especially in lieu of the fact we are going so early this year.

5. How will the trip be evaluated to determine the extent to which these benefits were realized?

Our team will analyze through referencing information at camp when introducing or practicing content. We will discuss this as a team and often the kids will bring up something they learned at camp when the content is taught especially in the area of rocks and minerals.

6th graders. I hope they all go but sometimes we do not know that until the week before we leave.
2. How many students in total?  
I don't have exact numbers due to enrollment throughout the summer but no more than 80 kids.
3. How many students are currently experiencing academic problems?  
That is an unknown at the time of completing this document. From what we have learned from the fifth grade team, it should be less than 10 students.
4. Which staff member will be in charge?  
Tammy Hershey
5. What previous experience has the staff member had in conducting overnight or extended field trips?  
I have been doing this position for 10 plus years.
6. What other staff members will be going?  
Mrs. Brookover, Mr. DeRodes, Mrs. Mahas, Ms Karley, Mrs. Burnett, and Mrs. Shutt. The latter three will be there part of the time and/or overnight. That has yet to be determined.
7. How many chaperones, in addition to staff members, will be going?  
That number is yet to be determined. We may need additional staff to stay in cabins this year because of camp staff shortages. We may take a nurse with us if they are willing to attend.

Please reference the answer to question #7
