This Student/Parent Handbook is based in significant part on policies adopted by the Board of Education and Administrative Guidelines developed by the Superintendent. Those Board Policies and Administrative Guidelines are periodically updated in response to changes in the law and other circumstances. Therefore, there may have been changes to documents reviewed in this handbook since it was printed in 2017. If you have questions or would like more information about a specific issue or document, contact your school principal or assistant principal, or access the document on the District's website: www.green-local.org. Policy Forms are available in your school office.
